Dear Mr. Cornish:

Re: HIV & the criminal law

On behalf of the Ontario Working Group on Criminal Law and HIV Exposure (CLHE), please accept this further request to verify a process for the review of the impending draft of guidance material being developed for Crown prosecutors handling allegations relating to HIV and other sexually transmitted infection exposure.

On 2 August 2013, Ms. Susan Orlando, Assistant Deputy Attorney General, Criminal Law Division, confirmed that CLHE will have the opportunity to view and provide input into the guidance material being developed. Ms. Orlando further indicated that prior to the issuance of said material an in-person meeting will be scheduled with CLHE and Ministry of the Attorney General staff, likely in fall 2013.

By way of electronic mail (see attached, dated 13 August 2013), we requested that a process be put in place to review and provide input into the draft. In order to ensure that the review process is meaningful, we requested that the material be shared two weeks prior to the meeting and that one month be given after the meeting for CLHE to provide input into the material. A response was requested by 23 August 2013.

We have yet to receive a response.

We respectfully request a response to our request.

Thank you very much for your attention to this matter.

Sincerely,
